

WATCHMAN CATHOLIC CHARISMATIC RENEWAL MOVEMENT
2020 FASTING FELLOWSHIP MAY 1ST-3RD, 2020
SEASON OF SCORE-SCORE

Theme: **GENDERING (FRUIT-BEARING) THROUGH GILGAL OPERATIONS**
Topic: **GETTING INTO GILGAL DIMENSIONS** *(Day 1)*
Texts: **Jos.4:19-24, 5:1-12, Jn.15:16**

Our theme has to do with **BEARING FRUIT** (Gendering) as stipulated by the Lord Jesus (Jn.15:16) through a series of activities that we shall caption “*Gilgal Operation*”. And to effectively participate in the said operations, one has to get into a usable state, the realm of power captioned “Gilgal dimension (realm)”.

It must be noted that the Lord knew about the pandemic before informing us about a year “*score score*” (a year of gaining marks as a sportsman, and ranking situations as a judge).

The Lord that has preserved us in the COVID season would have us to be productive through entry into *Gilgal dimension*.

Gilgal dimension in our context is the state where the capabilities of the positive events of Gilgal (in the Bible times) are inherent in someone.

Let’s now consider some events that took place at Gilgal:

- * Gilgal was connected with the *rolling away of Israel’s reproach* by their circumcision after long neglect of the ordinance in the wilderness (Jn.5:7-9).
- * It was *the launching pad of the conquest of Canaan* (Jos.4:19-24)
- * It was a location in the circuit of Prophet Samuel, the judge of Israel (1Sam.7:16)
- * It was the *place of coronation* of King Saul (1Sam.11:15). Unfortunately, the impatient and impenitent king also forfeited the founding of a dynasty and got rejected in Gilgal (1Sam.13:4-15, 15:20-23, 16:14)
- * It was at Gilgal that the representatives of the tribe of Judah went to welcome David after the death of Absalom (2Sam.19:15,40)
- * Gilgal was the location from which *Elijah commenced his journey to the chariot* of fire (2Kgs.2:1-4) And there, anointed Elisha *neutralized the poison* in the pot of food (2Kgs.4:38-41).
- So Gilgal is first of all, a **place of circumcision of heart and removal of spiritual reproaches** (Gen.17:11, Deut.10:16, 30:6, Isa.6:1-8, Ezk.36:25-27, 1Thess.5:23, Heb.12:14-15).

PRAYER POINTS

Ps.103:1-5- Appreciate God for His faithfulness and keeping power towards the G.S, entire watchman and your very self.

Prov.28:13 - Repent of your sins, confess and forsake

Heb.12:1 – Present besetting sins to the Lord (if any) like anger, hatred, boastfulness, lying, talkativeness, arrogance, pride, selfishness, worldliness, gluttony, greed, fear, anxiety, worry, lusting, evil imagination.

Jer.10:23, 13:23 – Express your incapacitation to the Lord and your confidence in the work of Calvary (Heb.10:10,12).

Ezk.36:25,26, Isa.6:5-7 – Pray for purification of your heart even Isaiah’s experience. Purity is the key to Gilgal dimension (realm of power).

SEASON OF SCORE-SCORE

Theme: **GENDERING (FRUIT-BEARING) THROUGH GILGAL OPERATIONS**
Topic: **OPERATING IN THE GILGAL DIMENSION** *(Day 2)*
Texts: **Jos.5:1-12, Jn.15:16**

Yesterday, we explained our theme as: Bearing fruit through unique activities (captioned Gilgal Operations). We said that: to conduct such activities, one has to dwell in a special realm (Gilgal dimension). Then, we showed that the getaway to that realm, is circumcision of heart (Isa.6:1-7).

After the national circumcision following the 40years of wandering in the wilderness and failure to keep the Abrahamic Covenant (Gen.17:10-14), the Israelites were poised to march into and possess the promise land.

The first assignment was to TAKE THE CITY OF JERICHO through OBEDIENCE to simple instructions: walking around the walls and blowing the trumpet on the last lap and shouting out loud (Jos.6:1-5).

NB: After the circumcision appeared the Captain of the Lord host (Josh.5:13-15).

Therefore, Gilgal dimension goes with FAITH and OBEDIENCE to divine instructions .

Faith sees beyond the size of a challenge or opposition. Faith focuses on the incomparable superiority of the source of the instruction (Heb.11:1,6).

Apostle Peter walked on water when there was faith, but as soon as he began to focus on appearance, he sank (Matt.14:24-31).

These are times of boisterous winds/waves, and so our focus must be on the Lord of all circumstances (cons. Pro.21:31). Initially, Apostle Peter obeyed the Lord with precision and enjoyed the supernatural until he disconnected from his source and began to sink.

There is no place for disobedience at Gilgal, as that was the bane of King Saul's reign causing him forfeiture of founding a dynasty and loss of office and the Spirit of God (1Sam.13:4-15, 15:20-23, 16:14).

When there is faith, prayers are answered and declarations/decrees are established (Mk.11:23,24).

Let's rise up to exercise our faith in prayers and declarations.

PRAYER POINTS

SEASON OF SCORE-SCORE (Day 3)

Theme: GENDERING (FRUIT-BEARING) THROUGH GILGAL OPERATIONS
Topic: KNOWLEDGE, A POWERFUL ASSET IN GILGAL DIMENSION
Texts: Jos.5:1-12, Jn.15:16

Gilgal dimension is a realm of divine power obtained and sustained through purity, and enlarged through knowledge (Heb.1:8,9, Jn.8:32, Prov.24:3,4).

The Lord buttressed the irreplaceable position of knowledge in kingdom progress by lamenting at the consequences of its lack (Hos.4:6, Jer.8:7), but encouraging and ensuring that His servants possess it (Ps.103:7, Jer.9:23,24, Amos 3:7).

Joshua was told to acquire it through habitual reading and meditating on the word, for therein lies success (Jos,1:8, cp. Ps.1:1-3); and the manifestation of the Captain of the Lord's host was simply to boost his faith for the battles through knowledge (Jos,5:13-15). It was knowledge that made *Joseph* not to terminate his divine program at Potipher's house when his mistress enticed him to sin (Gen.39:1-20). It was the knowledge that *Elisha* had about the glory of service of God that made him abandon his lucrative agricultural business to follow the Prophet Elijah unto his ascension to heaven (1Kgs.19:19-21, 2Kgs.2:9-13).

The *Lord Jesus* stipulated that the disciple should bear fruit; knowledge is crucial in this business of occupying (Jn.14:12). Faith comes through knowledge acquired (Rom.10, 2Pt.1:16-21) and success comes through application of acquired knowledge (Jas.2:18,24-26). To bear fruit abundantly, one must have, and apply knowledge of the word.

We shall lift up some scriptures, believe and apply them for the exercise of today, and testimonies are bound to follow.
